MARKETING NOTE

Property is offered as a development site. The site plan and development program are conceptual only and do not represent approved plans or guaranteed buildability. Combined lot area of 7,633 SF is supplied by ownership/listing broker; the plan illustrates approximately 76' x 100' and conceptual lot divisions. Purchasers must independently verify zoning, dimensions, subdivision, floor area, yards, parking, DOB requirements and all other development matters with their own professionals.
