A modern and urban workspace in Buckhead

Located in the uptown part of Buckhead, a major commercial and financial hub that is a part of the greater Atlanta area, Tower Place 100 is a modern and chic workplace that allows members ease of access to an elegantly designed workspace in a highly desirable area.

Members will not only have access to the building's amenities, such as an outdoor bike rack, wellness room, and dog-friendly spaces, but they are also only a stone's throw away from a variety of condos, hotels, and other exciting attractions in the area.

A neutral and calming color palette dominates the design scheme of the workspace.

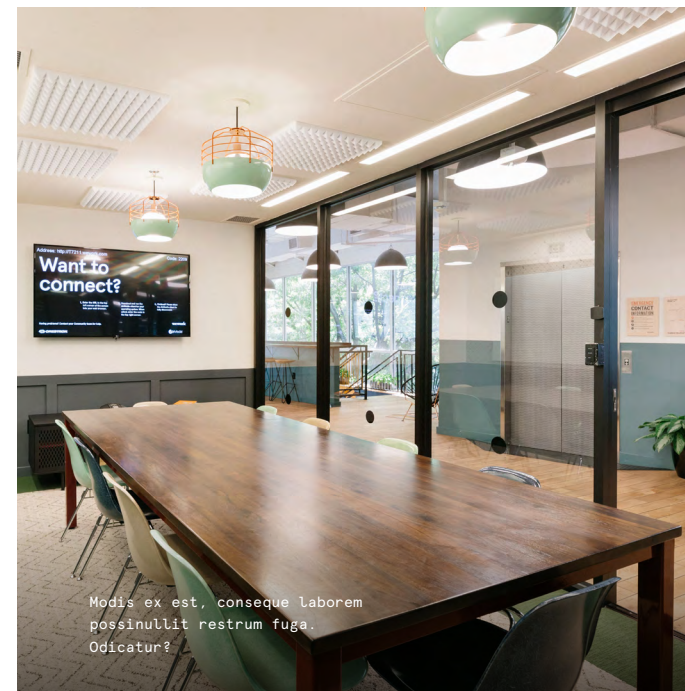

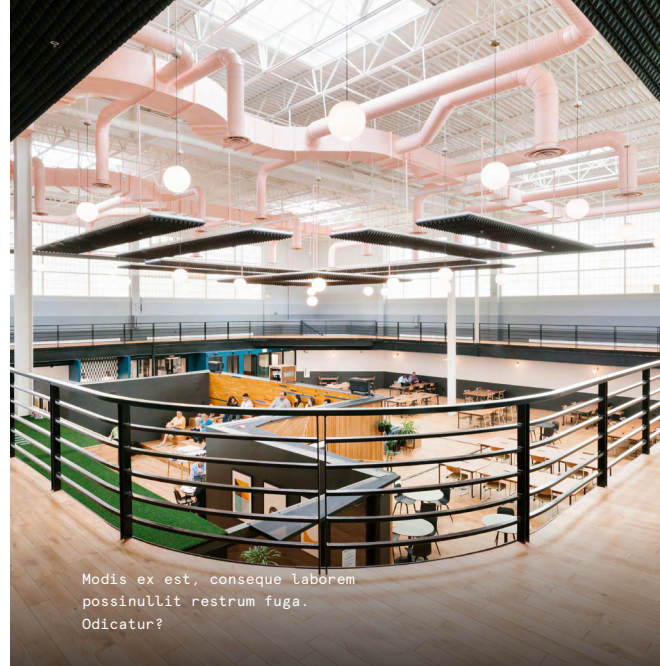

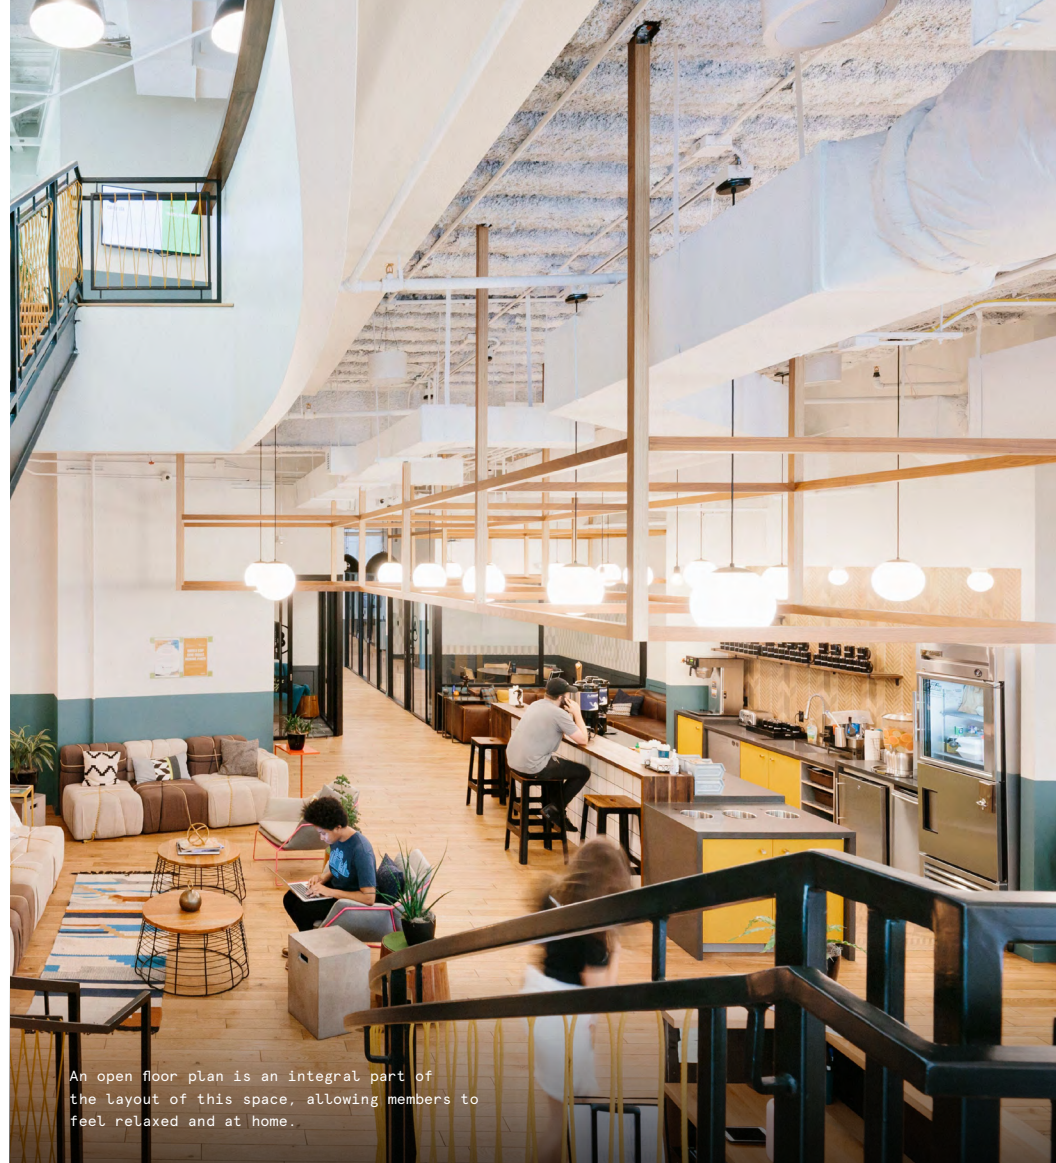

Much of the furniture within the space has been carefully curated by the WeWork team.
