Artists rendering of the Double Branch

SR 52 CORRIDOR

Double Branch is adjacent to the connected city corridor, a 7,800-acre swath of the county stretching from Wesley Chapel into eastern Pasco. Part of the draw of the connected city district is a planned high-speed internet system to support businesses that locate there. The site is also close to the new SR 52, a four-lane, 7-mile Hwy costing \$82M. Earlier this year, the FDT opened the first two lanes of the new stretch, which provides a direct route from just east of I-75 to U.S. 301 at the southern tip of Dade City.

THE MASSIVE MIXED-USE DEVELOPMENT IS UNDERWAY AT INTERSTATE 75 AND STATE ROAD 52.

Double Branch Development Inc. has begun its first phase, which includes 2.5 million square feet of industrial and life sciences development and 100 acres of mixed-use development. When the overall project, previously known as the Pasco Town Center, is completed, it is expected to generate \$600 million in economic impact. The build out cost of the total site is expected to hit \$2B, including 4M SF of industrial space, 725,000 SF of offices, 400,000 SF of retail, 3,500 housing units and 300 hotel beds.

Double Branch development at Interstate 75 and State Road 52
