LOCATION OVERVIEW

LAKEWOOD

Lakewood is the second largest city in Pierce County based on population.

The city is bounded by Joint Base Lewis-McChord on the south and east, Steilacoom on the west and Tacoma on the north. Military facilities provide much of the employment in this area.

The subject property is located next to Lakewood Towne Center, the largest community center of its type in Pierce County and the second largest retail center outside the Tacoma Mall.

The center serves as the symbolic and physical heart of the city of Lakewood, as the City relocated its civic center and City Hall onto the Center's site. The open-air center is anchored by many retailers including Target, Ross, Office Depot, Bed Bath and Beyond, Marshalls, a twelve-screen AMC Cineplex, and Safeway. This particular retail superblock includes over 70 acres east of Bridgeport Way SW, west of Gravelly Lake Dr. Northwest of the subject is Lakewood Colonial Center, a multi-block neighborhood retail center formerly anchored by QFC that is slated for redevelopment. The first phase included a new CVS drugstore on the corner.

JOINT BASE LEWIS-MCCHORD

Joint Base Lewis-McChord (JBLM) is the home of I-Corps and the 62nd Airlift Wing. Located in the heart of the Pacific Northwest's Puget Sound Region, JBLM is the Department of Defense's premiere military installation on the West Coast, one of the most requested duty stations in the military. The 415,000-acre base includes the Yakima Training Center in Central Washington, making it the largest installation on the West Coast. JBLM supports more than 60,000 military and civilian jobs and contributes nearly \$3 billion to the local economy, supporting over 254,000 local residents. 85% of the JBLM workforce live off-base, interacting with surrounding communities. JBLM began in 1917, when 70,000 acres of Washington land was acquired by Pierce County and was donated to the federal government to create Camp Lewis. Since that time, JBLM has grown into the largest Army-led joint base in the United States and is the only Army Power Projection Platform west of the Rocky Mountains.
