DISCLAIMER

SUBJECT PROPERTY

All materials and information received or derived from ORION Investment Real Estate its directors, officers, agents, advisors, affiliates and/or any third-party sources are provided without representation or warranty as to completeness, veracity, or accuracy, condition of the property, compliance, or lack of compliance with applicable governmental requirements, developability or suitability, financial performance of the property, projected financial performance of the property for any party's intended use or all other matters.

Materials and information from any source, whether written or verbal, that may be furnished for review are not a substitute for a party's active conduct of its own due diligence to determine these and other matters of significance to such party. ORION Investment Real Estate will not investigate or verify any such matters or conduct due diligence for a party unless otherwise agreed in writing.

EACH PARTY SHALL CONDUCT ITS OWN INDEPENDENT INVESTIGATION AND DUE DILIGENCE.

Any party contemplating or under contract or in escrow for a transaction is urged to verify all information and to conduct their own inspections and investigations including through appropriate third-party independent professionals selected by such party. All financial data should be verified by the party including by obtaining and reading applicable documents and reports and consulting appropriate independent professionals. ORION Investment Real Estate makes no warranties and/or representations regarding the veracity, completeness, or relevance of any financial data or assumptions. ORION Investment Real Estate does not serve as a financial advisor to any party regarding any proposed transaction. All data and assumptions regarding financial performance, including that used for financial modeling purposes, may differ from actual data or performance. Any estimates of market rents and/or projected rents that may be provided to a party do not necessarily mean that rents can be established at or increased to that level. Parties must evaluate any applicable contractual and governmental limitations as well as market conditions, vacancy factors and other issues to determine rents from or for the property.

Legal questions should be discussed by the party with an attorney. Tax questions should be discussed by the party with a certified public accountant or tax attorney. Title questions should be discussed by the party with a title officer or attorney. Questions regarding the condition of the property and whether the property complies with applicable governmental requirements should be discussed by the party with appropriate engineers, architects, contractors, other consultants, and governmental agencies. All properties and services are marketed by ORION Investment Real Estate in compliance with all applicable fair housing and equal opportunity laws.

SUBJECT PROPERTY

INTERSTATE 17:
± 205,000 VEHICLES PER DAY

Offers significant advantages for a warehouse, as it provides immediate access to one of Arizona's primary transportation corridors connecting Phoenix to Flagstaff and beyond. This prime positioning allows for faster and more efficient distribution, reduced transportation costs, and seamless connectivity to major highways like I-10 and Loop 101, ensuring goods can reach local, regional, and national markets with ease.

YEARLY VISITORS:
± 46 MILLION

- 240 bars + restaurants
- Home to Chase Field (Arizona Diamondbacks) & PHX Arena (Phoenix Suns)

DOWNTOWN PHOENIX

SUBJECT PROPERTY

PHOENIX, ARIZONA

Phoenix, Arizona stands out as a premier hub for industrial operations thanks to its strategic Southwestern location, robust transportation infrastructure, and rapidly growing population. With access to major interstates (I-10, I-17, and Loop 303), Union Pacific and BNSF rail lines, and proximity to Sky Harbor International Airport, Phoenix offers seamless regional and national distribution. The city's business-friendly climate, abundant land for development, and expanding labor force make it an ideal market for warehousing, logistics, and manufacturing users looking to capitalize on efficiency and growth opportunities.
