WELCOME TO THE NORTH BRANCH

The 760-acre North Branch is on the precipice of a major transformation, the area has seen a flurry of new and proposed developments and infrastructure improvements, kick-starting the metamorphosis of this former industrial district into Chicago's next generation office submarket. Early adopters, visionaries, and entrepreneurs seeking refuge from the congestion of traditional downtown submarkets are finding a new home in the high-tech, high style boutique office buildings of the North Branch.

Developers are taking full advantage of the sweeping downtown views and historic building stock, designing new developments and adaptive reuse projects that feature unique amenities such as rooftop and private decks, huge factory windows, glass curtain walls, unique branding opportunities, and state-of-the-art infrastructure, creating a distinctive old-meets-new neighborhood feel that resonates with today's workforce.

The submarket's location within the city is unmatched, centrally located between downtown and the north and west sides. It is adjacent to vibrant neighborhoods that are home to a thriving Millennial/Gen-Z workforce and is easily accessible to the entire city and surrounding suburbs via I-90/94.
