- Two-building East Texas industrial campus totaling 124,417 SF plus a 53,195 SF concrete lot
- Industrial site with dock-high loading, high power, ample parking, and core market access

THE OFFERING

DWG Capital Group is pleased to present **320 East Methvin Street & 325 East Tyler Street, Longview, TX 75601**, a superior acquisition and repositioning opportunity consisting of $\pm 124,417$ SF of industrial/office improvements plus an additional $\pm 53,195$ SF concrete lot. Formerly utilized as a corporate headquarters and industrial campus, the property is now available for lease or sale, creating a rare opportunity for investors, owner-users, relocation groups, or industrial operators to acquire a functional infill campus significantly below replacement cost. **Based on projected market rents of approximately \$6.00–\$8.00/SF NNN, the property could support approximately \$746K–\$995K of stabilized NOI, equating to an implied value range of approximately \$10.3M–\$13.7M at a 7.25% cap rate.**

THE PROPERTY

The asset comprises a $\pm 124,417$ SF office and industrial campus offered at approximately \$75/SF, well below estimated replacement cost of approximately \$150–\$175/SF. The facility includes a $\pm 59,450$ SF masonry warehouse featuring approximately 18-foot clear heights, dock-high loading, heavy power, full sprinkler coverage, and flexible industrial layouts, alongside approximately $\pm 64,967$ SF of office and headquarters space suitable for a variety of industrial, office, showroom, or adaptive reuse applications. The separate $\pm 53,195$ SF concrete lot further provides expansion capability, outdoor storage potential, or future redevelopment optionality.

THE LOCATION

The property is ideally-positioned in **downtown Longview**, offering an excellent infrastructure and central location that is ideal for trade and the transfer of goods across the state. With **direct access to Interstate 20 and U.S. Routes 31, 80, and 259**, the site efficiently links to **Dallas-Fort Worth (120 miles west)** and **Shreveport, LA (42 miles east)**. It is also **just two miles from the nearest rail yard and proximate to East Texas Regional Airport**, making it a multimodal logistics hub. Longview benefits from a deep labor pool, affordable business environment, and zero Texas state income tax, making it a compelling destination for both corporate relocations and industrial investment. It now houses dozens of large employers including Christus Good Shepherd, Eastman Chemical, Trinity Rail, among others.

ECONOMIES OF EAST TEXAS LONGVIEW/TYLER & SHREVEPORT

The Longview/Tyler/Shreveport corridor is supported by strong **manufacturing, logistics, healthcare, energy, education, and distribution** demand. Major regional employers include **Eastman Chemical, Trinity Industries, Komatsu Mining, AAO, CHRISTUS Health, LeTourneau University, Bridgestone**, and other industrial operators.

The market benefits from **direct access to I-20, regional rail, and key routes** connecting Texas, Louisiana, Arkansas, and the broader Southeast. With **lower operating costs, favorable Texas tax economics**, and limited supply of large infill industrial campuses, the property is well-positioned for **corporate HQ, manufacturing, logistics, storage, or adaptive reuse** demand.

THE MARKET

Longview sits at the heart of the **East Texas growth corridor**, a **+3% expansion market** supported by the energy sector, advanced manufacturing, healthcare, and logistics. The region is home to **major employers such as Eastman Chemical, Komatsu Mining, Trinity Industries, and Bridgestone**, creating durable demand for quality industrial space. With **replacement costs rising, industrial vacancy tightening**, and Texas's ongoing role as a **corporate migration magnet**, 320 E. Methvin St & 325 E. Tyler St represent a rare **below-replacement cost acquisition in a market positioned for sustained appreciation**.

TAX-FREE TEXAS BENEFITS

No state income tax provides immediate **cost savings** for businesses relocating from high-tax states. **Corporate tax advantages, combined with business-friendly regulations,** create compelling reasons for companies to establish Texas operations.

DEEP PG-BACKED GUARANTEES

The property is offered at approximately \$75/SF, substantially **below estimated replacement costs** of approximately \$150–\$175/SF for comparable industrial and office construction. **This creates a rare opportunity to acquire a large-scale infill campus with existing infrastructure, parking, loading, and power already in place.**

APPRECIATION POTENTIAL

East Texas +3% growth corridor positioning supports **long-term property value appreciation.** Industrial property scarcity in prime locations creates competitive advantages and potential for rental rate increases over time.

The combination of Texas's **business-friendly environment,** and **strategic location in a growth corridor** creates an **exceptional value proposition** for new users and investors seeking **stable industrial real estate strategic location with excellent upside potential.**

SPECIALIZED EQUIPMENT

Property includes an 8,000 SF printing press that can be included in lease arrangements or removed based on tenant requirements. This flexibility allows for customized space configuration to meet specific operational needs.

LIGHT MANUFACTURING

Ideal for precision manufacturing operations with ample power capacity, 18-foot clear heights, and flexible bay configurations. The facility's infrastructure supports assembly operations, quality control processes, and finished goods staging areas.

STORAGE & LOGISTICS

Climate-controlled storage capabilities combined with high-density racking potential maximizes inventory capacity. The facility's design accommodates both short-term storage and long-term warehousing operations with efficient material handling systems.

DISTRIBUTION HUB

Strategic location at the intersection of major highways makes this perfect for regional distribution operations. Multiple loading docks, rail access, and extensive parking accommodate large trucking operations and inventory management.

PRINTING OPERATIONS

Existing 8,000 SF printing press can support large-scale commercial printing operations, or space can be reconfigured for alternative uses. High electrical capacity and specialized ventilation systems support industrial printing requirements.

BOOMING MARKET

East Texas continues to thrive as one of America's fastest-growing business corridors, fueled by energy, manufacturing, logistics, and corporate relocation trends. East Texas is a +3% growth corridor.

DOWNTOWN LOCATION

Property sits in the center of Longview, with immediate access to rail infrastructure, highways, and a deep workforce pool. It features the convergence of I-20, US Routes 31, 80, and 259.

TAX ADVANTAGE

Texas offers no state income tax, making HQ relocation especially attractive for companies seeking operational cost savings.

CORPORATE MIGRATION MAGNET

Longview and surrounding East Texas markets are drawing major employers seeking a business-friendly state with cost and tax flexibility.

AVIATION HUB

East Texas Regional Airport provides corporate and cargo aviation services, with Dallas Love Field and DFW International Airport within reasonable driving distance for international connectivity.

ECONOMIC POWERHOUSE

Home to major energy companies, manufacturing facilities, and distribution centers serving the broader Southwest region, creating a diverse and resilient economic base.

A HEALTHY BUSINESS CLIMATE THAT CONTINUES TO GROW

With a focus on agribusiness and manufacturing, this city has natural resources and business assets to support both small businesses and large corporations.

Major business clusters in the Longview area include agribusiness, energy, health services, logistics and transportation and manufacturing. Major employers in the Longview area include Dana Corporation, Eastman Chemical, Komatsu and Trinity Rail.

Longview, Texas, boasts a robust and dynamic industrial real estate market, driven by a diversified economy and strategic geographical advantages. Supported by significant regional employers across key sectors, the market demonstrates consistent demand for industrial space, ensuring long-term stability and growth potential for investors.
