Introducing an exceptional opportunity to acquire a substantial land assemblage in the heart of Queens Village, located at 93-44 224th Street, 93-50 224th Street, and an adjacent vacant parcel. Together, these three properties span a total lot size of approximately 29,650 square feet, offering incredible potential for residential development, a community facility, or a long-term investment project. This rare, oversized plot is ideally positioned in a well-established neighborhood known for its suburban charm, tree-lined streets, and strong sense of community. Situated just steps away from Jamaica Avenue, residents and developers will appreciate immediate access to everyday conveniences including supermarkets, grocery stores, pharmacies, and a diverse selection of local shops and restaurants. The location also boasts excellent transportation links, with the Bus and LIRR station just a short walk away, providing direct service to Manhattan and Brooklyn, and easy access to major highways such as the Cross Island Parkway and Grand Central Parkway. The property is also minutes from the world-class UBS Arena, offering premier entertainment and event experiences. Surrounded by a wide range of community amenities including schools, parks, houses of worship, and healthcare facilities, this location is ideal for those looking to develop in a highly livable and connected Queens neighborhood. Whether you're an investor, builder, or institution, this is a unique chance to capitalize on a significant piece of land in one of Queens' most accessible and vibrant areas. Don't miss this chance to shape the future of Queens Village with nearly 30,000 square feet of prime real estate.
