Orlando Area

The Orlando MSA is centrally located in Florida, lying east of the Tampa-St. Petersburg MSA, and west of the Melbourne-Titusville-Palm Bay MSA. The Orlando MSA includes Orange, Seminole, Lake, and Osceola Counties.

The Orlando MSA's population is growing at a faster pace than the entire US and the state of Florida, one of the fastest growing states in the US. According to a recent report by the U.S. Census Bureau, the Orlando metropolitan statistical area had the fourth-largest population gain in the country. Orlando has one of the most dynamic economies in the Southeast, fueled by steady in-migration and a fast pace of population and income growth. The Wall Street Journal called Orlando a "Hot Spot for Job Growth" saying that the Orlando MSA growing by more than 11% with 139,000 jobs in the past five years, beating out many other nationally recognized commerce hubs.

Its economy benefits from its growing roster of tech and fintech tenants and its established defense sector as well as the presence of its world-renowned theme parks. The talent pool here is deep, fed not only by the proximity of the University of Central Florida and Rollins College but also from strong net migration of highly educated workers relocating to Central Florida. Key private employers in Orlando include Walt Disney World Resort (58,000), AdventHealth (37,000), Universal Orlando (21,100), Orlando Health (19,600), and Publix Super Markets, Inc. (15,500).

It is anticipated that Orlando MSA's economy will continue to improve, and employment will grow. This should continue to drive demand for real estate in the Orlando MSA.

In 2023, Orlando welcomed 74,009,000 visitors: 67,879,000 domestic and 6,130,000 international.
