Beam Development.

Working to activate the potential of the Central Eastside for over 20 years.

Beam Development is a real estate development and management company located in Portland, Oregon.

Over the past two decades, Beam's development activities have been guided by a few core principles: invest for the long-term in central city neighborhoods, champion smart and inspiring design, and build meaningful connections across our work. Located primarily in Portland's Central Eastside, Beam's development portfolio includes 1,000,000 SF of completed and 60,000 SF in pre-development.

Beam is proud of its track record of partnering with tenants to support their success. We look forward to hearing your story and seeing how great workspace can help write the next chapter.
