CREST HILL

MWI Property Group is a vertically integrated national real estate investment company focused on the development, acquisition and management of industrial properties in strategic markets throughout the United States. Founded

in 2003 as Midwest Industrial Funds and rebranded to MWI Property Group in 2024, the company leverages its local market relationships to identify select opportunities and approaches every investment with an entrepreneurial and

strategic perspective. MWI Property Group has acquired and developed over 90 industrial properties and its executive team has collectively completed over 75 million square feet of industrial transactions in 35 states.
