PROPERTY HIGHLIGHTS

- Located in CRP East
- Secured flex facility
- Possible SCIF areas
- Two loading docks with roll-up doors
- Less than 2 miles from MidCity
- Convenient access to Hwy 72 and Research Park Boulevard

PROPERTY DESCRIPTION

This secured flex facility offers a mix of both office and lab space, with possible SCIF areas. The office portion includes private offices, open work space, large conference rooms, multiple pods for collaboration areas, a training classroom, and breakroom. The facility also offers a loading area.

LOCATION DESCRIPTION

4906 Research Drive offers a prime location within Cummings Research Park, the second largest research park in the United States, and home to numerous technology and innovation-driven companies. The University of Alabama in Huntsville is nearby, fostering collaborative opportunities within the academic community. For after-work activities, Bridge Street Town Centre and MidCity offers a myriad of dining, shopping, and entertainment options. This dynamic area provides a perfect blend of business and leisure, making it an ideal choice for office tenants seeking a stimulating work environment.
