A photograph of a large, empty industrial warehouse. The space is defined by a high ceiling with a complex network of black steel beams and numerous long, linear fluorescent light fixtures. The floor is a polished concrete surface. The back wall features four large, closed metal rolling doors. Above these doors are four small, square windows. To the left, there is a white wall with a white door and a small black metal shelving unit. A single vertical support column stands in the center of the room. The overall atmosphere is spacious and utilitarian.
