# Company Information

**Leap** is building the world's largest network of branded retail stores – powered by data, systems and scale. **The Leap Platform** enables brands to deploy stores that work in concert with ecommerce more rapidly and at significantly reduced cost and risk. Brand stores powered by Leap bring modern brands to life with compelling, immersive customer experience and data driven operations.

**Leap** enables brands to deploy modern, immersive retail stores that drive growth and acquire customers. By leveraging millions of data points and a platform strategy, Leap makes physical retail more productive and less risky for brands. Its platform also follows a technology-enabled approach and includes all aspects of store development and operations, including physical space, staffing, and managing all technology infrastructure that helps consumer brands to grow and deepen their customer brand experience. The company was founded in 2018 and is headquartered in Chicago, Illinois.

## Location Overview

One of the most sought-after areas of the city, the Chicago neighborhood of Lakeview is the most populated area in the Midwest largely due to its great dining, shopping, and nightlife. Its four-mile proximity to the Loop makes it a prime real estate destination. It is also home to the Chicago Cubs' Wrigley Field, and a part of the neighborhood is named for it.

Lakeview is the 2nd largest of the Chicago community areas by population. In 2013 Money Magazine named Lakeview as number 3 of its Top 10 Big-city neighborhoods for its selection of Best Places to Live.
