“What if the office became a place to
live, create, **play**, **research**, **entertain**,
connect, **dine**, incubate, **broadcast**,
mentor, **muse**, **learn**, **party**, invent?”

– David Rockwell

A glimpse at a day of **work** at Bell Works

A place like no other

Over 1.3M SF of office space has been leased to over 80 tenants.

Bell Works hosts a full calendar of events each month including live music, wellness classes, giving back opps, + much more.

Our building is the size of the Empire State Building on its side - that's also the size of 3 football fields!

Bell Works Fresh, our indoor farmers + makers market, happens every Wednesday and one Saturday per month!

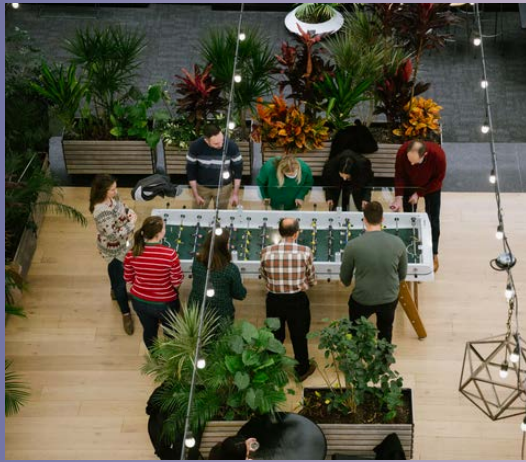

Event spaces including 60K SF of highly flexible meeting space, conference rooms, and a 13K SF ballroom.

60K SF of retail space has been leased on the first floor, forming The Block.

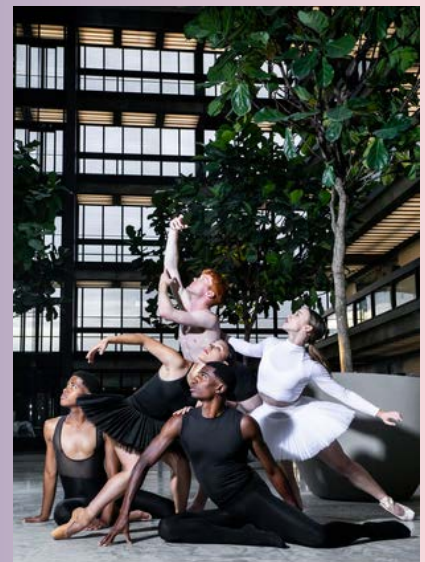

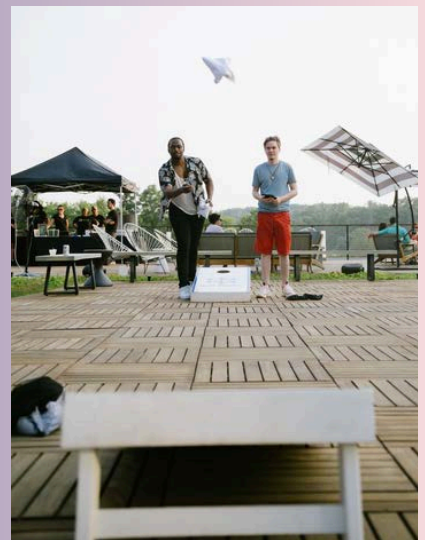

Bell Works is home to the largest photovoltaic skylight in the nation, generating about 20% of the Atrium's power!

Dining options including Bell Market, an 8K SF gourmet food hall.

Bell Theater is located in the lower level, where people gather for speaking engagements, live performances, and more!

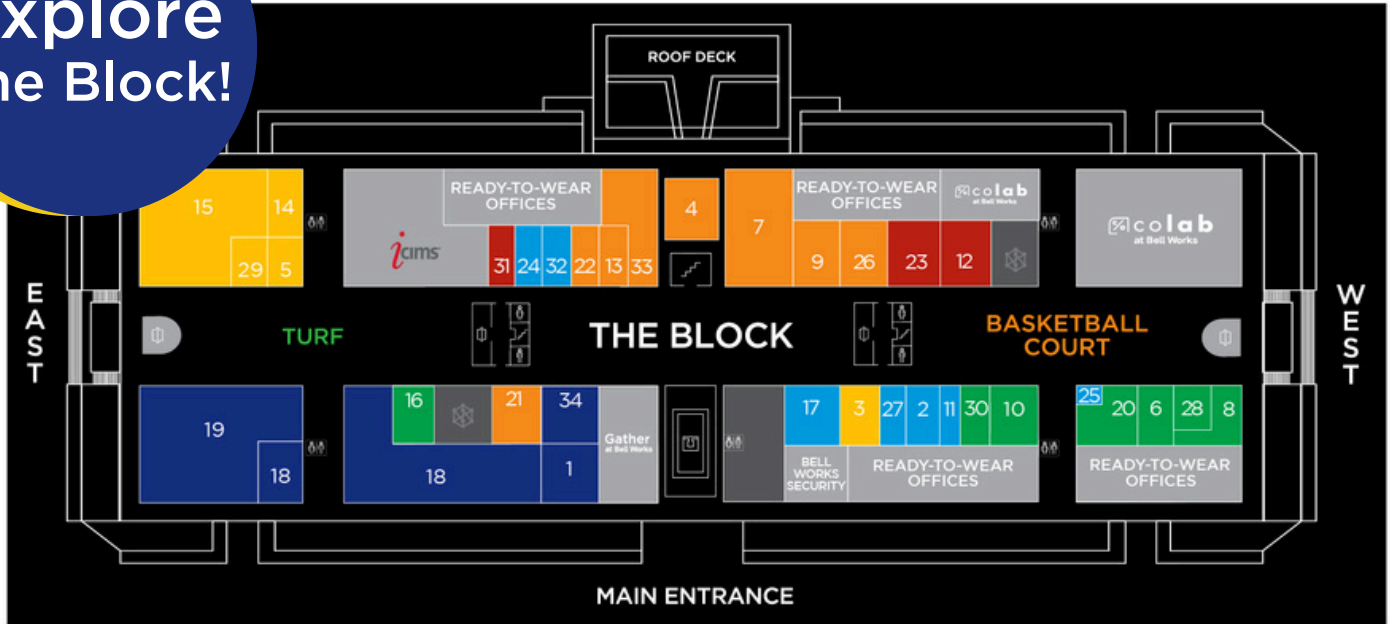

Our greatest amenity is the **people**
