Description

Welcome to The Rogers Apartments, a historic gem in the heart of downtown Beaver Dam. Built in 1928 as a hotel, this beautiful building has been restored and transformed into 21 apartments, 46 efficiencies, several common areas and commercial spaces. The original lobby and parlor have been preserved, giving residents a glimpse into the grandeur of the past. Previous large kitchen, banquet hall seats over 100 people. Approximate 5,000 sf on 1st floor and 1500 on lower level is vacant and could be added to the annual income!

In 1989, The Rogers Apartments was registered with the National Register of Historic Places, solidifying its place in history. The building's stunning architecture and intricate details are a testament to the craftsmanship of the time period.

The adjacent building at 125 S Spring Street is a part of the sale; tenant of Gene's Florist, and 4 1-bedroom apartments adding to this investment opportunity.
