SUMMARY

Located at 581 N 36th Street in Lafayette, Indiana, this industrial property is centrally located with excellent access to I-65, US 52, SR 26, and Union Street, a major gateway from Purdue University into Lafayette. In total, this building size is 12,000 SF. The 10,550 SF warehouse with 16' eaves to 20' center ceiling height accommodates storage, manufacturing, or distribution needs. This warehouse features (3) 8x10 overhead doors: a Dock Door, convenient for loading and unloading a semi or box truck; a Van Height Door, easy access for delivery vehicles and vans; and a Drive-in Door to accommodate vans, forklifts, and other mobile equipment. Pallet racking included. The warehouse floor is in excellent shape and it only has 2 columns in the center creating an open floor with minimal obstructions. The 1,450 SF office space allows for administrative tasks or will-call counter, with a bonus mezzanine above for storage. [Virtual Tour](#)
