Executive summary

Savills, the exclusive real estate advisor to the Florida Department of Commerce, is pleased to present an opportunity to acquire WorkForce One—comprising three vacant office buildings located at 2610, 2626, and 2680 West Oakland Park Boulevard in Oakland Park, Florida.

The Properties include:

1. **2610: 7,927± SF office building on 0.39 acres.**
2. **2626: 16,156± SF office building on 1.49± acres includes building 2660**
3. **2660: 21,375± SF office building on 1.49± acres includes building 2626.**
4. **2680: 2,046± SF office building on 0.97± acres.**

These properties are available for purchase either collectively or individually, offering versatile investment opportunities.

The property is strategically located along the bustling West Oakland Park Boulevard in the city of Oakland Park, Florida. This major east-west thoroughfare experiences an impressive average daily traffic volume of 55,500 trips. The buildings were previously occupied by CareerSource Florida, the state workforce policy and investment board dedicated to connecting employers with qualified, skilled talent and assisting Floridians with employment and career development opportunities. CareerSource Florida has since downsized and now operates out of neighboring buildings to the west.

The Property is to be sold “as is”, “where is”. Offeror needs to submit Letter of Intent to rcmills@savills.us. Please note at closing, the Offeror shall be required to pay **all costs of closing** including, but not limited to, the cost incurred through the surveying, advertising and appraisals of the property, title insurance, documentary stamp tax on the quitclaim deed, recording costs, real estate brokerage fees, and any other closing costs that Offeror may incur.

For any questions, please contact Randall Mills at (727) 421-8789.

BROWARD COUNTY

Nestled along Florida's southeastern coast, Broward County emerges as a dynamic hub between Miami-Dade and Palm Beach Counties. Boasting a population nearing 2 million residents, Broward stands as the second most populous county in Florida. Within the broader South Florida metro area, which ranks as the eighth most populous in the U.S., Broward County contributes significantly to a vibrant urban landscape encompassing approximately 6.1 million residences.

CITY OF OAKLAND PARK

The City of Oakland Park, situated in the heart of Broward County, is a thriving municipality known for its rich history and dynamic community atmosphere. Although smaller in size compared to its neighboring cities, Oakland Park has experienced significant growth and revitalization, particularly in its downtown area. This vibrant urban center has become a hub of activity, offering a seamless blend of residential, commercial, and recreational spaces.

Oakland Park is distinguished by its commitment to creating a sustainable and pedestrian-friendly environment, with ongoing efforts to enhance green spaces, promote local businesses, and support community events that foster a strong sense of civic pride. The city's dedication to preserving its historical charm while embracing modern development has made it an attractive destination for both new residents and businesses alike.

In recent years, Oakland Park has emerged as a magnet for small businesses and entrepreneurs, particularly in the culinary arts and creative industries. The city's burgeoning food scene, often celebrated for its diverse and innovative offerings, has gained recognition beyond local borders. Furthermore, Oakland Park is home to an array of cultural and recreational amenities, including parks, art galleries, and community centers, which contribute to a vibrant quality of life for its residents.

With a favorable location near major transportation routes and a warm, subtropical climate, Oakland Park continues to draw those seeking a blend of urban convenience and small-town charm. The city remains committed to fostering an inclusive, connected, and forward-thinking community that values both tradition and innovation.

BUILDING DESCRIPTION:

Building 2610 is a one-story office building comprising approximately 7,927 gross square feet, situated on a 0.39-acre parcel. Originally constructed in 1972 and renovated in 2000, the structure is built of durable concrete block construction with a flat roof. The interior features an open floor plan complemented by a breakroom, waiting area, and a single set of restrooms. The site provides 11 surface parking spaces at the front, equating to a parking ratio of 1.4 spaces per 1,000 square feet. Additional parking may be available through the adjacent property, which offers rear-lot parking.

Since 1995, the property has been leased to Career Source Broward, which has utilized the facility as a training center and storage space. The building has been consistently maintained, with regular updates and repairs performed to meet market standards. Notably, the roof was replaced in December 2021, and interior finishes have been periodically refreshed. Overall, the property remains in good condition and demonstrates an effective age of approximately 25 years, reflecting its steady upkeep and modernization efforts.

Market **statistics**

CITY OF OAKLAND PARK

Oakland Park, a key city within Broward County, has emerged as a growing commercial hub, benefiting from its proximity to Fort Lauderdale and easy access to major highways and transportation networks.

Vacancy Rates: The vacancy rate in Oakland Park's office market is slightly lower than the county average, hovering around 12%. This is due to the city's ongoing revitalization efforts and its appeal to creative industries and small businesses.

Rental Rates: Office rental rates in Oakland Park are competitive, with Class A spaces averaging \$40 per square foot annually. The city offers more affordable options compared to neighboring areas, making it attractive for startups and small businesses.

CLASS B & C OFFICE MARKET CONDITIONS:

Class B Offices: Oakland Park's Class B office spaces continue to attract interest from businesses seeking affordable, yet well-maintained, spaces. Vacancy rates for Class B offices are around 15%, with rental rates averaging \$30 per square foot annually. These spaces are popular among professional service firms, small businesses, and non-profits looking for a balance between cost and quality.

Class C Offices: The Class C office market in Oakland Park is relatively stable, with vacancy rates hovering around 18%. Rental rates for these spaces are lower, averaging \$20 per square foot annually. Class C offices tend to attract smaller, cost-conscious businesses, including startups and local service providers. Many of these spaces are older buildings that may require renovation, but they offer an affordable entry point into the market.

Development Activity: Oakland Park is seeing an increase in mixed-use developments and the adaptive reuse of existing buildings into modern office spaces. The city's focus on urban redevelopment and creating a vibrant, pedestrian-friendly environment has attracted new businesses and investors.

Market Trends: The city's emphasis on arts and culture has led to the development of creative office spaces that cater to the needs of design firms, media companies, and tech startups. Additionally, Oakland Park's commitment to sustainability is reflected in the growing number of green buildings and energy-efficient office spaces.

OUTLOOK FOR 2025:

The commercial real estate office market in Broward County and Oakland Park is expected to remain stable in 2025, with continued demand for high-quality, flexible office spaces. The region's economic diversity and ongoing development projects position it well for future growth. However, market participants will need to adapt to the evolving needs of tenants, particularly in terms of flexibility, sustainability, and integration with lifestyle amenities.
