MASTER PLAN

INDUSTRIAL PARK SETTING

Industrial Park Setting on I-40&I-77; can accommodate small users and 1M+ sf users

MARKET LEADING WORKFORCE

High labor availability with quality labor index score significantly higher than the national average

STATESVILLE LABOR PROFILE

Statesville has a **warehouse worker labor pool of over 28,000 people**. The region's high worker pool with large groups of part-time college students, and underemployed, help support the **market's capacity to sustain an additional 1,200 warehouse jobs**.
