## **COMMON APPLICATION QUESTIONS**

### **WHAT IS THE PROCESS?**

1. Once accepted, the application is placed on the agenda for the next available Board or Commission public hearing. A public notification sign will be given to the applicant and must be posted at least twenty (20) days prior to the public hearing.
2. The applicant will be notified in writing of the date, place and time of the public hearing. In addition, property owners within a 600 foot radius of the affected property will be notified by mail of the pending application.
3. A Staff Report, prepared by a zoning staff person, containing all project information and documentation will be mailed to the applicant and the Board or Commission members prior to the scheduled hearing date.
4. It is the applicant's responsibility to attend the public hearing to present their proposal and to answer questions of the Board or Commission.
5. The Board or Commission will generally make its decision the same day as the hearing.
6. Written decisions of the Board or Commission are mailed to the applicant within ten (10) days following the Board or Commission's decision.

### **WHAT HAPPENS IF THE APPLICATION IS APPROVED?**

An approval, or an approval on condition, does not authorize the proposed work to proceed, but only authorizes the filing of applications for permits or other approvals which may be required by City Code.

**The rights to this approval will expire if a permit is not obtained and maintained within one (1) year of the filing date of the decision. The applicant may request an extension in writing from the Director of Planning and Zoning prior to the expiration of the approval. A nonrefundable fee of \$100 is required for an extension of time.**

### **WHAT HAPPENS IF THE APPLICATION IS DENIED?**

An appeal from any final decision of a Board or Commission must be taken within 30 days of the filing date of the decision in accordance with Article 78 of the New York Civil Practice Law and Rules.

## **CERTIFICATE OF APPROPRIATENESS STANDARDS AND CONSIDERATIONS**

In approving applications for Certificates of Appropriateness, the Preservation Board and its Committees shall consider and evaluate proposals in terms of the purposes for which Landmarks and Preservation Districts are designated. In addition, the Board and its Committees shall be guided by the following standards and considerations:

**A. Visual Compatibility.** **New and existing buildings, structures and appurtenances which are moved, reconstructed, materially altered or repaired, shall be visually compatible with adjacent buildings, public ways and places, to which they are visually related in terms of:**

1. Height
2. Proportion of front facade
3. Proportion of openings
4. Rhythm of solids to voids in front facades
5. Rhythm of spacing and buildings on streets
6. Rhythm of entrance porch and other projections
7. Relationship of materials, texture and color
8. Roof shapes
9. Walls of continuity
10. Scale of a building
11. Directional expression of front elevation

**B. Quality of Design and Site Development.** **The redevelopment of a site shall be visually compatible with adjacent structures, public ways and places to which it is visually related in terms of:**

1. Quality of the open space between buildings and setbacks
2. Quality of materials and their relationship to existing adjacent structures
3. Quality in design in general and its relationship to the overall character of the Neighborhood
4. Quality of site development in terms of recreation, pedestrian and automobile access, parking and servicing, and retention of trees and shrubs

**C. Existing Buildings.** **Special considerations shall be given to the availability of materials, technology and craftsmanship to duplicate existing styles, patterns, textures and overall detailing. When several acceptable alternatives are appropriate, costs may be considered by the Preservation Board.**

**D. Landmarks.** **The redevelopment of a Landmark property shall be compatible with the original design concept of the structure in terms of:**

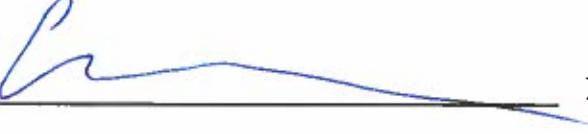

1. Color
2. Exterior Repairs
3. Restorations

### BOARD/COMMISSION MEMBER SITE VISIT

As part of their responsibilities for reviewing your application, members of land use boards and commissions are required to conduct site visits of the subject property to enable them to observe the property and the context of the neighborhood and adjacent properties. Some applications involve a project that is not wholly visible from the public right-of-way and it may be necessary for members to access your property to observe portions of the exterior of the property not visible from the right-of-way.

By signing below, you are attesting that you understand this information and authorize members to enter onto the property, including side and rear yards, as necessary to conduct their site visit for your application.

Date

Please note that if you do not authorize the members to access your property, you must provide additional photographic evidence of all areas of your property not visible from the right-of-way. Failure to permit property access to members or to provide adequate photographic evidence may result in the denial of your application if there is insufficient evidence to establish that the standards have been met.
