

RICHMOND PLAZA

Uncommon luxury in an unmatched location.

RICHMOND PLAZA

Richmond Plaza is a beautifully designed, highly visible structure overlooking Interstate 44 and 51st Street. Alternating horizontal bands of bronze reflective glass and flame cut, polished granite create a distinctive first impression.

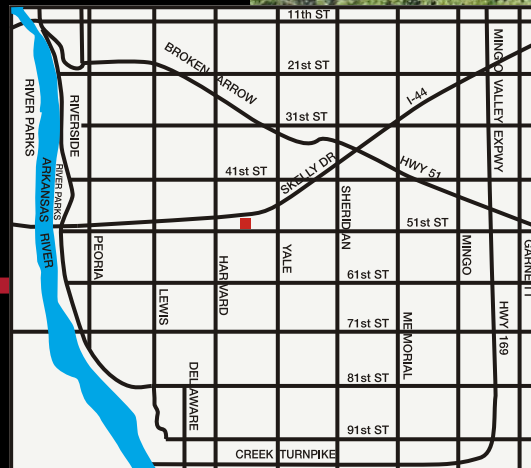

At each of two entries, clear glass walls reveal a richly appointed two story lobby atrium. Just inside, you pass through an enclosed vestibule where plants and tall trees create a spectacular terrarium effect.

Lobby walls are imported Carmen granite, polished to a fine luster. Brass handrails and elevator doors further enhance the impressive entry, and the four high speed, gearless elevators virtually eliminate waiting. The lobby on every floor is distinctively decorated with imported Italian marble, accent lighting and custom wall coverings.

Richmond Plaza has approximately 17,000 square feet of office space on each floor. The uninterrupted spans of glass afford stunning views of the city and create a sense of space to every office.

Interior design standards include floor to ceiling doors and high quality carpets and wall coverings. Office suites and lobby areas can be completely customized to meet your precise specifications. Professional design services will be arranged at your request.
