149 Brindletown Rd, New Egypt, NJ 08533

Introducing a rare opportunity to lease or partner on 40 acres of preserved farmland at 149 Brindletown Rd, New Egypt, NJ, home to GreenCELL Farms. Operated by an experienced farmer, GreenCELL Farms offers flexible lot options, competitive lease rates, and the expertise needed for innovative agricultural ventures.

This preserved farmland is ideal for cannabis cultivation, hemp production, or traditional farming. Flexible development is permitted solely for agricultural purposes, including greenhouses and related facilities, ensuring compliance with New Jersey's farmland preservation guidelines. GreenCELL Farms is also open to joint ventures, allowing collaboration with a seasoned operator committed to maximizing the land's potential.

Additional Notes:

- Subdivided lots or development plans must minimize fragmentation and comply with the deed of easement restrictions.
- Potential exceptions, such as for housing or other uses, may be considered but are subject to SADC approval.

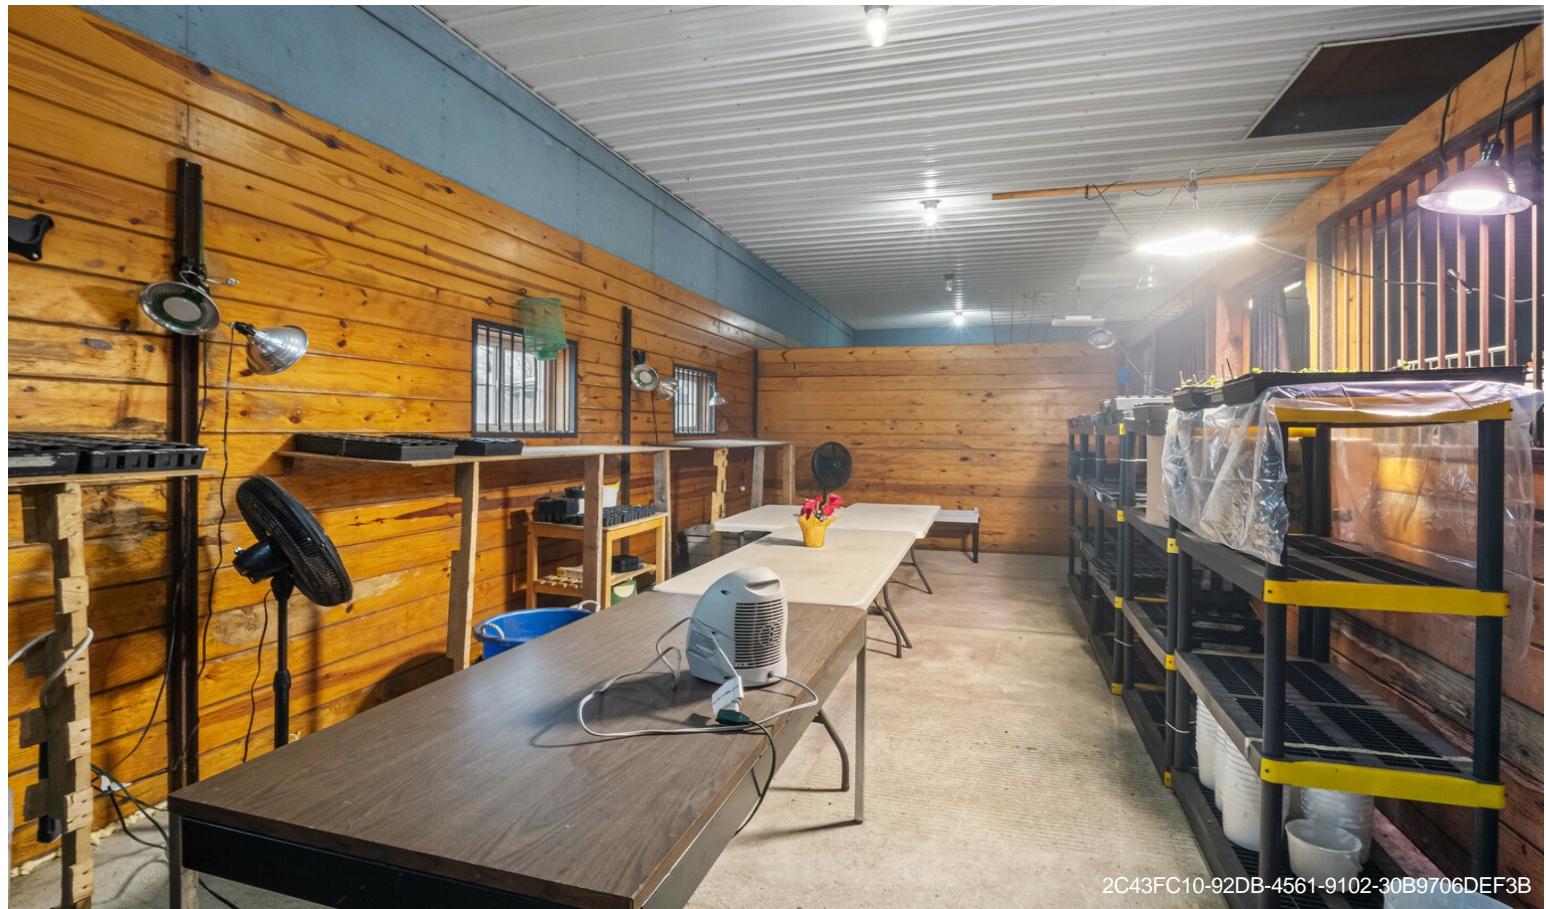

Permitted Uses:

- Cannabis Cultivation & Manufacturing
- Hemp Cultivation & Production
- Traditional Farming and Agriculture

Advantages:

- Prime agricultural location with accessibility to major markets while maintaining privacy.
- Opportunities to develop agricultural facilities in compliance with New Jersey farmland preservation guidelines.
- Support from a knowledgeable owner/operator ensures seamless integration for new ventures
