TENANT PROFILE

Founded in 1977, Save A Lot is one of the largest discount grocery store chains in the U.S. with approximately 1,000 stores in 33 states and 13 wholesale distribution centers. Save A Lot remains true to its mission of being a neighborhood grocer, providing unmatched quality and value to local families. Customers enjoy significant savings compared to traditional grocery stores on great tasting, high quality private label brands, national brand products, USDA-inspected meat, farm-fresh fruits and vegetables, and other non-food items. Save A Lot is division of Moran Foods, a premier wholesale grocery distribution company specializing in private brand procurement and supply. Save A Lot's stores are smaller and aisles are wider, making it easier to find items. Their small footprint means they carry the everyday items their customers need so that they can get in and out of stores quicker than large supermarkets. They have high-quality products, including both national and their own brand names at affordable prices. Save A Lot's select assortment of approximately 1,800 products gives their customers what they buy most, reducing the need for space and eliminating slow moving products from distribution. This allows the company to pass the savings on to their customers.
