## PROPERTY OVERVIEW

Situated on a beautiful tree-lined street in one of Highland Park's most desirable pockets, this  $\pm 8,400$  SF lot (approx. 60' x 140') is a rare development site with RD1.5 zoning. The property currently features two existing residential units, offering immediate income potential while you plan your project.

Zoning and lot configuration offer a range of paths to redevelopment, including construction of multiple by-right units in the large rear yard, addition of ADUs, or a larger ground-up housing development.
