PEACHTREE CORNERS

NORTH AMERICAN PROPERTIES

The Forum is Peachtree Corners' favorite spot for getting together and branching out. You already know us as the beloved home of some of the area's best retailers and restaurants. But today, we're refreshing the space with new builds, new bites, and new brands. It's time to embrace and celebrate the energy of our growing community — with an all-are-welcome attitude and more to do and discover each day. So why not *office* at The Forum where you can grab lunch with a friend, happy hour with your coworkers, meet the family for dinner and enjoy on the weekdays and weekends. Make The Forum your home away from home.
