SEWER COMMISSION EASEMENT & ZONING

Milwaukee, WI 53220

Zoning 295-907

295-907. Planned Development District (PD/DPD), 1. PURPOSES. The planned development district is intended to:

- a. Allow flexibility in land development.
- b. Promote creativity, variety and environmental sensitivity.
- c. Encourage development compatible with its surroundings and consistent with the city's comprehensive plan.

2. PROCEDURES. a. General. A planned development district may be established through either a one-phase or a 2-phase process. If actual development of the project is to proceed in stages over an extended period of time, the applicant shall first submit a general plan covering the entire tract. Separate detailed plans shall then be submitted for each stage of development and shall follow the development concept established by the general plan. If development of the project is not to be done in stages, a general plan is optional and a single detailed plan may be submitted in lieu thereof.

b. Application Requirements; General Plan. The following items shall be submitted to the city plan commission as part of an application for approval of a general planned development:

b-1. A "General Plan Project Description and Owners Statement of Intent" containing a written description of the overall development concept and a statement as to how the plan provides for or complies with each of the district standards enumerated under sub. 3 where applicable. This statement shall also make reference to the plans or exhibits included in the plan and include a statistical sheet indicating the following in square feet, acres and percentage of the total tract where applicable:

- b-1-a. Gross land area.
- b-1-b. Maximum amount of land covered by principal buildings.
- b-1-c. Maximum amount of land devoted to parking, drives and parking structures.
- b-1-d. Minimum amount of land devoted to landscaped open space.
- b-1-e. Maximum proposed dwelling unit density, if residential, and/or total square footage devoted to non-residential uses.

- b-1-f. Proposed number of buildings.
- b-1-g. Maximum number of dwelling units per building.
- b-1-h. Bedrooms per unit.
- b-1-i. Motor vehicle and bicycle parking spaces provided, whether surface or in structures, and ratio per unit if residential, or per thousand square feet of building area if non-residential.

b-2. A vicinity map showing the boundaries of the tract included in the general plan, the territory within 1,000 feet of the tract, its proposed access and significant community facilities in the surrounding area.

b-3. A plat of survey showing the exterior boundaries, including a legal description of the area of the proposed general plan tract. Existing conditions, including wetlands, areas of severe topographic changes, buildings, trees and shrub groupings, with an indication of whether they are to be retained, removed or altered, shall also be shown.

b-4. A site plan showing the general location of proposed structures and a description of their intended use and approximate height, open spaces, setback dimensions and buffers adjacent to the boundaries of the tract and from existing or proposed public rights-of-way, pedestrian and vehicular circulation systems, parking areas, loading facilities and the location, type and size of all proposed signs.

- b-5. A general narrative description of sign standards, including number, type and size of signs.
- b-6. General landscaping standards for all buffers and parking lots.
- b-7. Pictures of the site and surrounding context. These pictures may be submitted as photographs, scanned images or in a digital format, but shall not exceed 8.5 inches by 11 inches.
- b-8. Eight sets of collated plans, 11 inches by 17 inches in size, along with written narrative.
- b-9. One oversize set of plans, at least 24 inches by 36 inches.
- b-10. The affidavit required by s. 295-313.
- b-11. An electronic version of the complete submittal, including both plans and written narrative.

c. Application Requirements; Detailed Plan. The following items shall be submitted to the city plan commission as part of an application for approval of a detailed plan development:

c-1. A "Detailed Plan Project Description and Owners Statement of Intent" containing a written description of the overall development and a statement as to how the plan provides for or complies with each of the district standards enumerated under sub. 3 where applicable. This statement shall also make reference to the plans or exhibits included in the plan and include a statistical sheet indicating the following in square feet, acres and percentage of the total tract where applicable:

- c-1-a. Gross land area.
- c-1-b. Land covered by principal buildings.

47 **DEFINITION OF MATERIAL ADVERSE FACTS**

48 A "material adverse fact" is defined in Wis. Stat. § 452.01(5g) as an adverse fact that a party indicates is of such significance, or that
49 is generally recognized by a competent licensee as being of such significance to a reasonable party, that it affects or would affect
50 the party's decision to enter into a contract or agreement concerning a transaction or affects or would affect the party's decision
51 about the terms of such a contract or agreement. An "adverse fact" is defined in Wis. Stat. § 452.01(1e) as a condition or occurrence
52 that a competent licensee generally recognizes will significantly and adversely affect the value of the property, significantly reduce
53 the structural integrity of improvements to real estate, or present a significant health risk to occupants of the property; or information
54 that indicates that a party to a transaction is not able to or does not intend to meet his or her obligations under a contract or
55 agreement made concerning the transaction.

No representation is made as to the legal validity of any provision or the adequacy of any provision in any specific transaction.
