AREA DEMOGRAPHICS

Coming in at one of the top 7 largest metro areas in the U.S. by population, Houston is also home to two of Wallet Hub's Top 30 fastest growing cities in the U.S. -- Sugar Land and Pearland -- which both sit less than 20 miles away from Lonestar Logistics Park.

The property's surrounding neighborhoods are highlighted by a strong socioeconomic foundation and highly coveted buying power. And with a total population of about 1.4 million, the region's median age indicates its peak spending years are right around the corner.

As if that wasn't enough, the 10-mile radius around Lonestar Logistics Park is expected to see another 1.5 million residents over the next five years!
