Q: What are the Lease Types that CAVS offer?

A: Lease Types refer to the level of service that the Landlord provides to the Tenant. All Lease Types directly influence the economics of the deal. You can find which type of lease we have on the front page of each of our brochures. Generally, we offer three types of leases:

1. *Full-Service Lease.* For the advertised price per square foot, expressed annually, the Landlord will pay for the real estate tax; various insurances including property insurance; maintenance and repairs of the common areas, structural and non-structural elements of the building(s) and building systems including HVAC systems; all capital expenditures; reasonable usage of water & sewer, electric and non-hazardous trash removal. Basically, this type of lease is perfect if you're looking for peace of mind.
2. *Modified Gross Lease.* This is our "in-between" type. Meaning, it's in-between a full-service and triple net. The Landlord pays for the maintenance and repairs to the common areas, various insurances for the property, and the real estate tax bill. Beyond that depends on the property and the Landlord. The Tenant could be responsible for maintaining, repairing or possibly replacing the HVAC system and all utilities.
3. *Triple Net.* In addition to paying rent, the Tenant would be responsible for paying their proportionate share of real estate taxes, insurance and common area maintenance. Most of the time, the Tenant will also be responsible for maintenance, repairs and replacements of non-structural elements of their premises as well as the systems (i.e., HVAC).

Q: What is the process of getting into a unit?

A: Great question. Please see the steps below for the typical process:

1. Give us a call and ask for a meeting to see the unit or units you believe you might be interested in.
2. Like the unit? Great! Let us know with a call or email. We'll ask you some quick and easy questions to get the lease agreement written and sent back to you along with a commercial lease application.
3. Fill out the commercial lease application and either email, fax or mail the application to us.
4. Read and Sign the Lease Agreement in triplicate making sure to get each signature witnessed. Then mail the originals over to us.
5. The First Month's Rent plus applicable sales taxes & Security Deposit (equal to the first month's rent) would then be paid. We accept cash, check, money order and credit card.
6. We send you the keys to your new unit.
