Establishment of the Official Zoning Map

There shall be a map known as the Official Zoning Map, which shall show the boundaries of all zoning districts within the Town's planning jurisdiction. This map shall be drawn on a durable material or generated in a digital format from which prints or digital copies can be made, shall be dated, and shall be kept in the Town Hall. All zoning representation is approximate and approval documents should be referenced for project specific information.

The location and boundaries of the zoning districts established by this development ordinance are shown on a geographic coverage layer entitled "Zoning" that is maintained as part of the Town's Geographic Information System (GIS) under the direction of the Planning Director. This "Zoning" geographic coverage layer constitutes the Town of Indian Trail's official zoning map. The official zoning map - together with all notations, references, data and other information shown on the map - is adopted and incorporated into this development ordinance. It is as much a part of this development ordinance as if actually depicted within its pages. Please contact Town staff at 704-821-5401 or in person at 315 Matthews-Indian Trail Road, Indian Trail, NC 28079 with any questions.
