OFFICE

BATH

OPEN SPACE

The floor plan is divided into three main color-coded sections: yellow, orange, and blue. The yellow section (top left) contains a large warehouse, two offices, a break room, and a storage area. The orange section (top right) contains a large warehouse, a supply room/storage area, an IT closet, and a bathroom. The blue section (bottom) contains a receptionist area, four offices, two bathrooms, and a large showroom. A red dashed line separates the yellow and orange sections. A black arrow points to the top of the yellow section, and a label 'FRONT DOOR' is at the bottom center.
