Industrial space for lease

WELCOME TO 71 NORTH COMMERCE CENTER

Experience a newly constructed, Class A industrial facility close to major markets at 71 North Commerce Center. Businesses can utilize 707,940 square feet of industrial space that is expandable to 1,196,541 square feet if needed and comes with 2,500 square feet of spec office space. The cross-dock capable warehouse features 36-foot clear heights, 100 dock doors with view lights, two drive-in doors with lights and a concrete ramp, and 45 mil TPO roofing. That is in addition to 302 car parking spaces, 103 trailer spaces, an ESFR sprinkler system, and 400-amp, 277/480-volt, three-phase power that's expandable to 6,000 amps.

71 North Commerce Center also offers convenient commutes through a two-minute drive to I-71, a 19-minute drive to I-270, and a 30-minute drive to Downtown Columbus. The proximity to these transportation routes means drivers can reach half of the US population in less than a day's drive, and a host of nearby metros like Chicago, New York, Philadelphia, Charlotte, and Indianapolis are within a 10-hour drive. 71 North Commerce is primed to provide an expansive, Class A experience, a stone's throw from Columbus.

ABOUT H&M

H&M Company, Inc. is a national engineering and construction firm offering a full range of Plan-Design-Build services for projects throughout North America. Throughout their 65 years in business, H&M has continually improved and expanded their capabilities to meet customers' ever-changing needs. While achieving significant growth in their customer base and revenues, their mission remains the same: to help their customers achieve success.

H&M is annually ranked by **Engineering News-Record** as one of the Top 400 Contractors and Top 100 Design-Build firms. H&M has LEED® Accredited construction and engineering professionals on staff and practice LEAN construction techniques that promote the reduction of waste throughout the project design and construction process. They are efficient, transparent, and competitive throughout every phase of a project.
