Innovation that benefits operators

We are shaping the future of global trade with properties optimized for efficiency and designed to enhance the safety of anyone working on or in them. In doing so, our tenants benefit from:

- Up to 75% reduction in utility costs from energy-efficient design features
LED lights, robust insulation, and white roof technology
- Electric vehicle charging stations
- Safer vertical access design to lower the risk of severe injury from falls
- Building to WELL standards
- Clerestory windows optimizing natural light, creating a healthier
working environment
