PROPERTY DESCRIPTION

Introducing a prime investment opportunity in Northern New Jersey: a recently renovated 7,058 square foot industrial building situated within the bustling area of 470 Belleville Turnpike, North Arlington. With its strategic location and BTRA zoning, this property offers a versatile space for industrial and manufacturing endeavors. Boasting modern upgrades and featuring a single unit, this property is tailor-made for businesses seeking a dynamic and functional space. The convenient access and contemporary improvements position this property as an excellent choice for industrial and manufacturing investors looking to establish or expand their presence in this thriving market.

LOCATION DESCRIPTION

Located in the heart of Northern New Jersey, the area surrounding the property at 470 Belleville Turnpike offers a prime location for industrial and manufacturing investors. With close proximity to major transportation arteries, including the New Jersey Turnpike and Route 21, the area provides excellent access to regional and national distribution networks. Nearby points of interest such as the Meadowlands Sports Complex and the Port of Newark offer additional business opportunities. This vibrant region is known for its strong workforce, supportive business environment, and access to a wide range of suppliers and customers, making it an ideal location for industrial and manufacturing investment.

SITE DESCRIPTION

Freestanding industrial facility formerly occupied by a tile and granite company, meticulously renovated in 2026 and zoned C-2. The property features 25-foot ceilings, heavy power, and a super clean warehouse environment with interior recessed loading. The building includes two tailboard loading docks, two drive-in doors, cranes, sprinklers, and large windows providing natural light. The space spans two floors and includes renovated office areas, four bathrooms, and updated systems including a new roof. The site offers 10 surface parking spaces and is structured as a triple net property with no known environmental concerns. Currently vacant and ready for occupancy, the building is well suited for contractors, paving companies, heavy machinery operations, truck service or repair, and interior vehicle storage. The property is conveniently located near major New Jersey highways, providing excellent regional access.

PROFESSIONAL BACKGROUND

Bruce Elia, Jr. has been a full-time Commercial & Residential RE Broker for the past 14 years, after having vary varied earlier careers. Bruce was hired on Wall Street after college, earning his Series 7, Series 63 and worked for PHD Capital, whose founders and operating principles were Nelson Braff and Jodi Eisenberg. After a little over a year there, Bruce chose not to continue with the Series 24 licensing for stock broker trading. Bruce decided to get his real estate license and started full-time as a wholesale investor and Realtor® in 2009 and is now a founding partner, with Al Donohue of Keller Williams City Views in Fort Lee. His advanced real estate training, designations, and track record of success is proven in the commercial real estate world. His contact database of principals and of colleagues is what a seller or buyer needs representing them in today's New Jersey Real Estate Market.
