THE OPPORTUNITY

Two equipped restaurants with bars and outdoor patios in excellent location at Little 5 Points where East Atlanta, Candler Park and Inman Park meet.

The previous restaurants were shut down to re-develop the site. Development financing fell through providing the opportunity for your successful concept. Both restaurants feature fully equipped kitchens, bars and large inviting patios. The former Front Page News Restaurant, Suite 101 is approximately 5,541 SF with a 1,958 SF patio. The former Tijuana Garage restaurant is approximately 4,352 SF with a 900 SF patio. The inviting spaces being second generation restaurants offer huge start-up savings

The property provides an exceptional opportunity for restaurant operators seeking a premier location within one of Atlanta's most vibrant and rapidly growing in-town neighborhoods. The property is surrounded by a dense, affluent customer base with average household incomes exceeding \$100,000 within a three-mile radius, a strong concentration of young professionals, and a highly educated population that consistently supports local dining and entertainment concepts.

Positioned along Moreland Avenue with more than 37,000 vehicles passing daily and immediate access to East Atlanta Village, Little 5 Points, Inman Park and Candler Park, the site benefits from outstanding visibility, strong consumer spending, and a thriving pedestrian-oriented environment. The surrounding residential growth and limited availability of quality restaurant space create an ideal setting for chef-driven concepts, cafés, breweries, fast-casual brands, and destination dining experiences.
