Today the Comstock is again drawing wagonloads of visitors who wander wooden sidewalks while exploring vibrant shops and honky-tonk excitement at saloons and eateries.

The Virginia City National Historic Landmark District's 65 sites and frequent festivals annually attract over two million visitors who experience authentic Wild West boomtown life.

C Street — VC's main drag — is one of the Top 10 Historic Main Streets in America (and, our property is in the heart of the main drag!)

HOME OF HISTORY, IMAGINATION & SPIRIT. STEP BACK IN TIME, TODAY.

Historic Virginia City is 25 miles from Reno and 45 miles from Lake Tahoe. Like many cities in Nevada, Virginia City was a mining "boomtown" with more than \$400 million in gold and silver mined there. In today's prices, that's more than \$20 billion.

The 19th century mining bonanza turned Virginia City into the most important industrial city between Denver and San Francisco, and it turned destitute prospectors from all over the world into millionaires. They built mansions, hospitals, churches, opera houses and schools and imported furniture, fashions and entertainment from Europe and the Orient. The riches helped finance the Civil War and went on to build empires around the world, including San Francisco, a city built with Comstock silver. While the Virginia & Truckee Railroad transported bullion from the rural highlands of Virginia City to Carson City, the *Territorial Enterprise*, with literary whiz Mark Twain, delivered news of the day to the vibrant mining metropolis of 25,000 citizens at its peak.

Today, Virginia City is a legacy destination for shopping, dining, events and "Old West" experiences including but not limited to mining excursions such as a tour of the only operating gold stamp mill in the country. Virginia City is the town for taking a tour. Visitors might find a glimmer of gold; walk through a town of preserved buildings with intact Wild West facades; enjoy the actors in saloons as they reenact the "good old fashioned bar fight" reminiscent of the ruthless Comstockers. There are 17 museums and no shortage of treats, including ice cream or fudge from Grandma's Fudge Factory. For longer lasting memories, families can take a portrait at one of the many old-time photo shops. Be it a day trip or an overnight stay, Virginia City is a fun and easily accessible destination.
