**Permitted Uses.** The following uses are permitted generally in PID Districts; however, individual PID Districts may be more restrictive:

- Manufacturing, fabrication, compounding, processing, packaging, treatment and assembly of goods, products and materials;
- Wholesaling, with the exception of motor vehicles, and warehousing;
- Scientific research, investigation, testing, or experimentation;
- Office and administrative facilities;
- Retail commercial facilities providing goods and services for the day to day needs of the PID District workers and visitors;
- Customary accessory uses such as off-street parking and signs;
- Retail commercial facilities beyond those specified in paragraph B,5, provided that the Council shall find prior to any such retail use being made of any premises and prior to any substantial change therein, that the use is compatible with the Planned Industrial Development District in which located
- Minor heliport subject to provisions of CZO 15.28.220;
- Adult Oriented Businesses subject to regulations in CMCO 5.40.
