## Harrison - Kearny - Barnegat - Boonton, NJ

### LOCATION INFORMATION

The Newark, New Jersey MSA offers a strong foundation for real estate investment. With a population of more than 2.2 million and a median household income of approximately \$103,182, the area sits well above national averages. As part of the broader New York-Newark-Jersey City MSA, which boasts nearly 20 million residents and consistent income growth, the region benefits from deep labor pools, diverse industries and sustained demand for residential, commercial and mixed-use space. This combination of affluence, population density and economic stability positions the Newark MSA as a compelling market for investors and developers seeking long-term value.
