Property Overview

**Minutes from Downtown
Hudson, Route 8 & Ohio
Turnpike**

Nestled in the heart of the highly sought-after Hudson community, just minutes from downtown Hudson, Route 8, and the Ohio Turnpike, this exquisitely updated commercial space offers a rare blend of elegance, function, and flexibility. Whether envisioned as a prestigious law office, an upscale accounting firm, a bespoke interior design studio, or a refined retail boutique, this property sets a new standard for professional environments. Meticulously appointed with rich architectural detail, the first floor features three private offices—one currently styled as a bedroom—anchored by a stunning full bath and a custom bar, perfect for client entertaining or executive use. Solid wood doors, crown molding, and exposed wood beams add warmth and character throughout, evoking a timeless, classic sophistication. A striking spiral staircase leads to the lower level, where expansive space awaits. This floor includes a spacious conference room, multiple office areas, dedicated shipping and fulfillment zones, two additional restrooms, and ample storage options. A back stairwell provides additional access and functionality. Wine enthusiasts or design-minded professionals will appreciate the built-in shelving capable of storing up to 150 bottles. This maintenance-free office condo offers abundant parking and shared storage. Previously used as a high-end retail boutique and currently utilized as a combination office and logistics workspace, the property offers exceptional versatility, making it well-suited for a broad range of professional or boutique commercial applications. Rarely does a space combine such thoughtful design, prime location, and versatile functionality in one refined offering. Please respect the privacy of the current business operations. Showings are by appointment only and require advance notice.
