PROPERTY DESCRIPTION

Fully climate-controlled flex building for sale in Spotsylvania County's largest industrial park at Four Mile Fork. At 9,990 total square feet, the space includes over 4,000 square feet of ground level office space, with the balance of square footage being storage, shop space, and 2nd floor office square footage. Office fully built out, again, partially on 2nd floor, with kitchenette, conference room and eleven private offices and multiple bullpen areas for collaborative workspace, plus areas for lab or production. Originally two separate buildings, an air conditioned breezeway was constructed to connect the two buildings to serve as Coins For Anything Inc's headquarters in 2011. That remodel included fully finishing the warehouse and 2nd level areas. Has dual 14' high ground-level rollup doors, with 16' ceiling height in the open storage areas absent of a 2nd floor. Parking area is fenced with room to park up to 8 vehicles in the rear and 12 marked spaces in front lot. Zoned Light Industrial, available for immediate occupancy, showing by appointment only. Well-configured for light production, engineering firms, government contractors, etc. Tenant occupied in 'Suite B' totaling 2,400 square feet, producing supplementary income in the short term, and allowing an owner occupant the opportunity to expand over time.

LOCATION DESCRIPTION

Conveniently located less than 1.5 miles from Interstate 95 exit 126 to Spotsylvania in the largest industrial park by square footage in the county. Central geography allows for ease of logistics.
