EXECUTIVE SUMMARY

Appraised "As-Is" Value: \$830,000 (as of December 20, 2023). This property represents one of the few remaining large-footprint institutional shells in South Fulton at a highly competitive entry price.

The existing improvement is a one-story, masonry-constructed institutional building that offers substantial volume for a variety of "as-repaired" configurations.

- **Building Size:** 23,822 square feet of gross building area.
- **Structural Integrity:** The exterior is composed of concrete block with a durable metal, standing-seam open gable roof.
- **Condition:** Classified as being in "Fair" condition for its age, providing an ideal starting point for a full-scale interior modernization.
- **Infrastructure:** The site is fully serviced with public utilities, including water, sewer, electricity, and high-speed internet.
- **Topography:** The lot is level and at street grade, simplifying exterior renovations and potential parking expansions.

STRATEGIC ZONING & SITE POTENTIAL

The property's **AG1** zoning by the City of South Fulton allows for continued institutional use or a transition into a professional office hub.

- Expansive Site: 3.75 acres (163,350 SF) provides ample room for outdoor amenities, playgrounds, or fleet parking.
- Flexibility: While currently appraised for continued school use, the building's layout is highly adaptable for professional services, community centers, or creative "flex" space.
