MIRAMAR

MIRAMAR

Few submarkets in San Diego are positioned as ideally within the region as Miramar. Interstates 5, 15, and 805 provide transportation corridors to the San Diego/Mexico border, Inland Empire, and Los Angeles. It is also one of the most densely populated areas of San Diego, which provides a deep well of potential workers for local employers in the submarket.

Mira Mesa is dominated by two retail corridors that stretch from Interstate 805 to Interstate 15 along Mira Mesa Boulevard and Miramar Road. The eastern portion of the submarket is filled with residential neighborhoods. Median household incomes in the area top \$105,000, above the median for the broader San Diego region, providing one of the stronger nodes in North County for potential buying power among households.

Technology and biotech firms have shown an increased willingness to branch out here to take advantage of lower rents, a central location, and proximity to San Diego's primary life science and tech nodes in Sorrento Mesa, UTC, and Torrey Pines.
