Mike entered commercial real estate in 1986, and soon developed a passion for helping businesses find their perfect space. That passion led him to create his own firm, Omni Realty Group, in 1998, and he has been exclusively practicing buyer/tenant representation ever since. Since his start, Mike has been directly responsible for the successful repositioning and redevelopment of over 500 apartment units and 8 million square feet of retail, office, industrial, and residential product in Central Pennsylvania, as well as closing sale and lease transactions in excess of \$100 million. Mike is committed to knowing his clients and their businesses on a more personal level, developing deep trust and detailed understanding of their business operation, financial position, and their risk profile. Mike joined our team in March of 2024, ready to offer his unique specialty with the highest level of service, loyalty, and confidence for each client. Mike was raised in Central PA, and received his degree in Economics from the University of Pennsylvania.
