## ABOUT SCHAFER CONSTRUCTION

#BuildBetter

Schafer Construction, Inc.

Schafer Construction has been providing development, design, and construction services in Southeast Michigan for over 25 years. We are a team of fiercely competitive real estate and construction professionals who are committed to Build Better. We believe only in the right solutions – whether those involve the Schafer Team or not. Development and construction are the ultimate team sports. We work exclusively with individuals and organizations who are willing to put the good of the project above any individual interest.

The Schafer Team has overseen over 2,000 acres of land development. From site searches to land acquisition, entitlements, and ultimately building development, Schafer can lead every facet of a new real estate venture. Whether it's an entrepreneurial investment opportunity or a critical need for your operating business, the Schafer Team is here to take the guesswork out of the highly complex and risky process of developing land.
