TWO CITIES. ONE NEW NEIGHBORHOOD.

The HYM Investment Group is on a mission to reconnect the East Boston and Revere communities that surround Suffolk Downs.

In 2017, Suffolk Downs was purchased by HYM and its investors with a vision to create a welcoming neighborhood designed around new ways of living and working. Today, Suffolk Downs is being reborn as a new urban district with a dynamic mix of uses and offerings connected and supported by public open space, neighborhood retail, and civic spaces. Directly connected to a rich history, and to the communities it adjoins, this extraordinary evolution of our city promises all who live, work, and visit the opportunity to feel optimism for the future.

Local Landscape

East Boston and Revere are home to historically diverse communities with immigrants from all over the world. This diversity is reflected in the wide range of cuisines represented in the existing restaurant scene which includes some of Boston's best Italian restaurants, seafood restaurants, Southeast Asian fare, as well as Mexican, Brazilian, Peruvian and Columbian restaurants and bakeries.

With the site's close proximity to the airport, there is an abundance of hotels that attract many out-of-town visitors. Proximity to both Boston and the ocean has spurred the development of luxury apartments that continue to attract a wide variety of residents ranging from empty nesters to young, working professionals.

Site Activation at The Track

Events, exercise, festivals, concerts and more!

Since 1935, Suffolk Downs has been home to live events and entertainment. In the earlier days of operating as a thoroughbred horserace track, famous horseraces hosted over 35,000 attendees. Throughout the decades, tens of thousands of fans also attended memorable live events like the Beatles Farewell Tour in 1966, Radiohead in 2001, and the annual Hot Dog Safari festival with the Cystic Fibrosis Foundation.

The team at HYM has combined their creative talents and innovative thinking to bring the energy back to the historic track at Suffolk Downs. In 2021, HYM worked with Artists for Humanity to install an art installation on the Grandstand windows and opened the track to the public for walking and exercise. In 2022, HYM turned the Paddock into an outdoor public seating area and built a dog park featuring two areas for large and small dogs. The track and dog park are open daily and are frequently used by residents of the Orient Heights neighborhood. HYM continues to develop new placemaking strategies to make Suffolk Downs a destination for the community now and in the future.

HYM carries on the tradition of activating the site by hosting annual events and offering free programming at the track. From weekly run club to food truck festivals, traveling circuses, 5k fundraiser walks, dog competitions, Touch-a-Truck, and more, HYM works with local businesses, non-profit organizations, and partners from Revere and East Boston to curate and host events year-round.
