PROPERTY DESCRIPTION

PROPERTY DESCRIPTION

SVN | Accel Commercial Real Estate is pleased to present 2801/2803 Dickerson Pike, a fully entitled 31-unit townhome development site with STR approval in one of Nashville's fastest-growing corridors.

All architectural, engineering, and civil plans are approved, with a grading permit ready to pull, offering a true shovel-ready opportunity and significantly reduced pre-development risk. This allows a buyer to move directly into construction and capitalize on current market demand without the typical entitlement timeline.

Strategically located along Dickerson Pike, just minutes from Downtown and East Nashville, the site benefits from strong visibility, proximity to major employment and entertainment hubs, and ongoing infill development throughout the corridor.

This opportunity is ideal for developers and investors seeking a ready-to-build, close-in Nashville project with density, STR income potential, and long-term upside.
