

1. Wetland boundaries shown on this plan were delineated in accordance with New Hampshire Administrative Rule Env-Wt 406, Wetland Delineation and Mapping. Wetland flags were located using a Carlson BRX7 GPS rover referenced to New Hampshire State Plane Coordinates.
2. Tax map lines and Google Hybrid imagery are approximate and shown for illustrative purposes only. They do not represent a survey by a licensed Professional Land Surveyor.
3. All wetlands are Poorly Drained and classified as PFO1E (Palustrine Forested, Broad-leaved Deciduous, Seasonally Flooded/Saturated).
4. Vernal pools are not anticipated on this site.
