#### Section 20.02 Table of Permitted Uses by District.

The uses of land in the following table have been organized, for ease of use and convenience, into use groups based upon certain characteristics that the grouped uses may share. These use groups are described below:

1. **Rural Uses.** These uses primarily involve the keeping, breeding or use of animals; production or distribution of produce and farm-related products; and associated uses of a rural character or intensity.
2. **Residential Uses.** These uses primarily involve housing of various types and densities, and associated uses typically found in a residential neighborhood.
3. **Office, Service, and Community Uses.** Community uses are public-owned or operated uses; uses of a not-for-profit nature; uses that involve benefits or services generally provided to a significant portion of the population; or uses that serve as focal or gathering points for the community. Office or service uses are private-owned or operated uses; or uses of a for-profit nature, such as personal service establishments, medical and professional offices, workshops and studios, and similar associated uses.
4. **Commercial Uses.** These are uses of a generally for-profit nature, and may include retail sales, food service, entertainment, repair services and similar associated uses.
5. **Industrial, Research, and Laboratory Uses.** These are uses of a light manufacturing, research, warehousing or wholesaling character; or that involve compounding, processing, packaging, assembly, storage or treatment of materials.
6. **Other Uses.** These are uses that, because of unusual character, intensity or nuisance factors, do not fit well into the preceding use groups.

7. **PUD Special District.** Permitted land uses for the Planned Unit Development District shall be in accordance with Article 50.0 (Special District Regulations, including Section 50.301 [Planned Unit Development (PUD) District].
8. **USD Special District.** Permitted land uses for the Urban Services District shall be in accordance with Article 50.0 (Special District Regulations, including Section 50.302 [Urban Services (USD) District].
