PROPERTY DESCRIPTION:

The subject property consists of five single-story office buildings and one two-story office building located at the northwest corner of First and Alluvial Avenues in Fresno. In addition to abundant surface parking, secured subterranean parking is provided at the 7447 N. First building. The buildings' exteriors are mini brick and glass which has proven to be a timeless design. All buildings are serviced by HVAC units which allows for easy maintenance as well as functionality in subdividing suites. The common areas have been well maintained by the association which is well funded. Access to Freeway 41 is less than 1 mile from the site. All ancillary services, including public transportation, food-service, banking, and shopping are within close proximity.
