ALLEGHENY COUNTY

Allegheny County is a county in the southwestern part of Pennsylvania (PA). It is the second most populous county in PA following Philadelphia County. Allegheny County was the first in PA to be given a Native American name, being named after the Allegheny River. Allegheny County was created in September of 1788 from parts of Washington and Westmoreland counties and originally extended all the way north to the shores of Lake Erie and became the "Mother County" for most of northwestern PA before the counties current borders were set. The area developed rapidly throughout the 19th century to become the center of steel production in the nation. The county is known for the three major rivers that flow through it, the Allegheny, the Monongahela, and the Ohio Rivers. Allegheny County is home to three National Sports Teams, multiple major top ten companies as well as various colleges and universities. The county consists of 4 cities, 84 boroughs and 42 townships.
