

A wide-angle photograph of a modern office interior. On the left, a large black leather sofa sits next to a small glass-topped side table with a metal frame. Behind the sofa is a large window with horizontal blinds, offering a view of a city skyline. In the center, a white reception desk with a curved front is positioned against a vibrant blue wall. On top of the desk are several potted plants, including a large green one and a red one. To the right of the desk, another black leather armchair is visible. The floor is made of polished, dark stone tiles that reflect the overhead lights. The ceiling features a grid of recessed rectangular light fixtures. In the background, a white partition wall and a doorway leading to another office area are visible.

A modern office interior with a large window overlooking a city. The desk features two monitors, a keyboard, and various office supplies. A potted plant is visible near the window, and a framed picture of a tree hangs on the wall.
